

## Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of Swamp-Root by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

"All roads lead to Fame," said Golden Gate, "but I shall meet queer people as I go, 'Not everyone cares for high-grade coffee; some prefer the cheap, rank kinds. Some dealers prefer to handle bulk goods instead of coffee packed in aroma tight tins. 'I'm uniform in quality; I was aged in my native country; I'm smooth drinking-rich-aromatic; I'm full weight (honest). With all this in my favor I cannot fail to please. 'I'm 'sold on merit,' merit will win!'"

Nothing does with GOLDEN GATE COFFEE but satisfaction. No prices—no coupons—no crockery. 1 and 2 lb. aroma-tight tins. Never sold in bulk.

## NO REASON FOR IT.

When Pendleton Citizens Show the Way.

There can be no just reason why any reader of this will continue to suffer the torture of an aching back, the annoyance of urinary disorders, the dangers of diabetes or any kidney ailment when relief is so near at hand and the most positive proof given that they can be cured. Read what a Pendleton citizen says:

Mrs. C. C. Hendricks, wife of C. C. Hendricks, insurance agent living at 403 West Court street, says: "When I first heard of Doan's Kidney Pills I had been suffering for over a year with pains in my loins and back and with a weakness of the kidneys, and I therefore decided at once to try the pills. I got a box at the Brock & McComas Co. drug store. Now, I don't want to say that they have entirely cured me, for the trouble may return some time in the future, but they entirely relieved the backache and up to this time I have had no return of the trouble. Only the other day I told a lady friend who is suffering from kidney trouble, to try them, and have recommended them to others. I shall continue to do so."

For sale by all dealers. Price 50 cents per box. Foster-McIlburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

## CANADIAN ELECTION

MEMBERS OF PARLIAMENT ARE CHOSEN NOVEMBER 3.

The Balance of Power Rests in Quebec, and the Continuance of the Present Ministry in Office is the Issue—The Railroad Issue is a Leading One, With Purely Political Issues Following in Importance—Decision Will Be for Five Years.

Ottawa, Ont., Nov. 3.—The political complexion of the Dominion for the next five years will be decided tonight. Forecasts of the result of today's election are numerous, and the two political parties seem to be about equally confident. The returns from Quebec are awaited with the most intense interest, as it is recognized that victory or defeat for Premier Laurier undoubtedly hinges upon the verdict of that French-Canadian province. It is conceded by the conservatives that a continuance of the present solid Quebec for Laurier means a liberal federal victory once more, and the liberals go so far as to assert that an increased majority for Laurier in that province is certain.

At the last general election out of Quebec's 65 seats, 58 returned Laurier men. Mr. Borden, the opposition leader, hopes to break the ranks in today's election and elect 27 opposition members from Quebec, which, with the expected increase from the other provinces, would give a conservative majority over the whole Dominion of 12 seats.

The campaign just closed has been the shortest in the political history of Canada. At the same time it has been one of the most spirited. The conservative party has conducted its campaign on three prominent issues. The first is the construction of a transcontinental railroad by the Grand Trunk company by government aid. The opposition party has taken a pronounced stand against the project in its present form, claiming that the government has agreed practically to construct the road for the company, and that the latter will use Portland, Me., instead of a Canadian port as an outlet on the Atlantic seaboard.

Another issue which has figured in the campaign is the dismissal of Lord Dundonald, commander of the Canadian militia, by Sir Wilfrid Laurier's administration, on the ground that he had publicly criticized acts of cabinet members. The conservative party has sided with the Scotch earl and has endeavored to influence the great body of voters of Scotch descent.

Another source of attack on the liberal administration is the political situation in Ontario, where the position of Premier Ross and his administration is precarious as the result of the unseating of members for alleged corrupt acts on the part of agents.

## MIKADO'S BIRTHDAY.

Celebration and Holiday Observance at Tokio.

Tokio, Nov. 3.—The Japanese capital and vicinity was truly ablaze and ablaze today—abloom with the myriads of crysanthemums and other blossoms which at this season of the year convert the hills and gardens into a veritable fairyland, and ablaze with countless flags and streamers which were flung to the breeze in honor of the mikado's birthday.

The birthday anniversary was celebrated more generally and more enthusiastically than ever before. The display of flags was quite general throughout the capital, and other simple decorations bore testimony to the devotion and loyalty of the populace. The official celebration took the form of a grand review of the reserves on the Aoyama palace grounds. The review, which was attended by the mikado, was witnessed by an immense and enthusiastic crowd.

## Dinner in Honor of the Mikado.

Washington, D. C., Nov. 3.—At the Japanese legation in N street a dinner will be given tonight in celebration of the anniversary of the birth of the mikado, who was born November 3, 1852. Several American guests have been invited, but the majority of those present will be members of the Japanese colonies in Washington and New York.

## Iowa Teachers in Session.

Red Oak, Iowa, Nov. 3.—Several score teachers have arrived to attend the annual convention of the Southwestern Iowa Teachers' Association, which opens its sessions here this evening. Tomorrow the business sessions and round table conferences will begin and will last until Saturday afternoon. At the initial meeting tonight the teachers will assemble to listen to an address by Dr. E. Benjamin Andrews, chancellor of the University of Nebraska. J. C. King of Boone, the retiring president of the association, will deliver his annual address.

## American Humane Society.

St. Louis, Nov. 3.—The American Humane Society met in annual convention in this city today with delegates present from state and local organizations throughout the United States and Canada. The sessions will continue several days and will be devoted to discussions of ways and means for extending the scope and influence of the society's work. Congress will be petitioned to take steps to prevent cruelty to animals employed in the construction of the Panama canal.

## Y. W. C. A. Session.

Peoria, Ill., Nov. 3.—The state convention of the Young Women's Christian Association of Illinois, which will adjourn Sunday night, opens in this city this evening. More than 150 delegates are present. They represent nearly two score of colleges besides a number of city organizations. Among the colleges represented are: Lake Forest, Lincoln, University of Chicago, Northwestern University, University of Illinois, Knox, Eureka, Westfield, Augustana, Illinois Wesleyan and the several Illinois state normal schools. The report of Miss Harriet Broad, state secretary, shows that the organization has made a gratifying increase in membership since the last convention.
